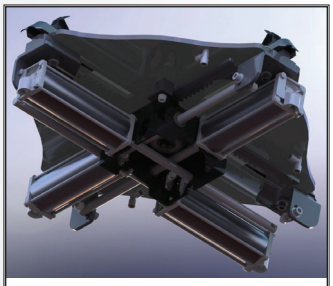
megamount 403XL

HM-5351007M

The megamount 403XL is a main line tire changer for high volume and specialty tire shops. Designed with features to make life easier for Tire Techs, this machine is built to perform and last.

Features

- QuadraClamp Turntable with 4 cylinders and self lubricating rollers for extra wheel gripping strength and durability
- Tire Mount/Dismount head designed for standard and low profile tires
- Integrated, pedal activated bead seating system
- Extra tall column for wide racing wheel applications
- 10” to 26” clamping range without clamp adjustment
- Adjustable Bead Breaker Arm to accommodate up to 15” wheels



Patented QuadraClamp 4 cylinder turntable provides more powerful clamping, long life and no chance of jaws misaligning like 2 cylinder versions
