OIL EXCHANGE SYSTEM

VOX-14HD

OIL EXCHANGE SYSTEM

The VOX-14HD is a revolutionary system that dramatically reduces your labor time and costs. The oil change process is virtually automatic, which allows your technicians to perform other tasks while changing oil. Additionally, with our Quick Oil Change Technology, a 40 quart oil change can be completed in about 15 minutes, saving you approximately 40 minutes on every oil change performed.

Features

FAST.

Can complete a 40-quart oil change in approximately 15 minutes.

FULLY PNEUMATIC.

No electric connection needed.

TRULY MOBILE.

Can be rolled easily and vehicle mounted.

LESS DOWN TIME.

More time for your trucks on the road.

PORTABLE.

Easily moveable for on-site or off-site use.

EASY TO USE.

Features integrated pistol-grip oil dispenser.
