

# POWER UNIT STAND

## P/N 10370-00

## NEW ITEM!

Introducing a 2-Piece Power Unit Stand to accommodate the needs for both our SRM10 Series lifts and all of our inground lift models.

- More ergonomic for technicians by raising the power unit up off the floor
- Multiple places to mount power unit based on the application
- Will accommodate the B99700 air work station with Power Unit in lower position
- Two piece model is easier to ship
