## TP10KAC-DX TWO POST LIFT

The iDEAL TP10KAC-DX 10,000 lbs. ALI Certified two post lift is a premium *Bi-Symmetric™* design clear floor vehicle lift. Offset three stage short arms and a low pad height of 4" make this lift perfect for a wide range of vehicles. Our rigid single piece column and direct pull cylinder combined with single point lock release and clean design make this lift one of our most popular models.
