

UTVKIT-MSC-6KLP

UTV Adaptor Kit - MSC-6KLP
2,600 lbs. Kit Capacity

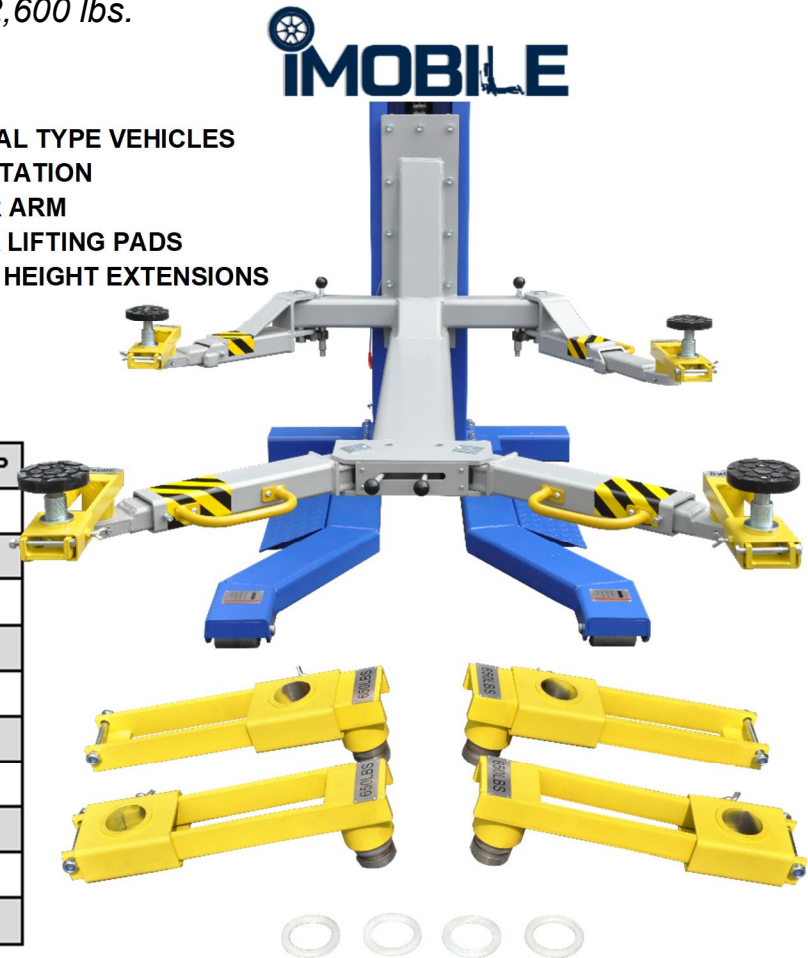

The iDEAL UTV Adaptor Kit includes swing arm bracket adaptors specifically designed for the popular iMOBILE MSC-6KLP Single Column / Mobile Lift. The exclusive UTV Bracket Adaptor design reconfigures the iMOBILE Lift to raise & perform general service for most lighter and smaller sized vehicles such as Utility, Power Sport, Recreational & Custom type vehicles. The UTV Bracket Adaptors extends the Lift Pads 'inner' radius lifting area, while providing 360° adjustable width rotation. The UTV Adaptor Kit provides ideal & safe lifting for Inspections, Servicing and even Showcasing for most Utility / All-Terrain Vehicles, Golf Carts & Dune Buggies with an overall vehicle weight up to 2,600 lbs.
