## Adjustable Slings Made in User

- Designed for use with a crane or hoist to support large, bulky loads
- Chain length may be adjusted to compensate for off-center loads or for an alignment angle during assembly or disassembly

Model	Capacity	Chain Length	Link Size	Weight	
HW93803	1 Ton	65"	7/32"	4.8 Lbs.	
HW93804	2 Ton	05	5/16"	9.3 Lbs.	

- Designed to handle and position heavy components with use of an engine crane or hoist
- It can also be used to angle a component when necessary to install it

Adjustment nuts on both ends of the extension screw make tilting the load easy and accessible
